Any security deposit collected is intended solely to secure Guest's performance under this Agreement and to cover damages, excessive cleaning, missing items, unauthorized pets, unauthorized guests, violations of this Agreement, or other losses caused by Guest or Guest's invitees.

The security deposit shall not limit Guest's financial responsibility for damages or losses.

Authorization to Charge

Guest authorizes Owner to charge the credit card on file, apply the security deposit, or pursue other legal remedies for any unpaid damages, losses, excessive cleaning charges, fines, fees, taxes, or other amounts owed under this Agreement.

Travel Insurance Recommended

Guests are strongly encouraged to purchase travel insurance to protect against cancellation costs, property damage liability, medical emergencies, weather-related interruptions, and other unforeseen events.

Tenant Initials: _____

11) Housekeeping

No daily maid service is included. If desired, Owner can **recommend** local services for hire.

12) Pets (Dogs Only; No Cats)

Dogs only; no cats. All dogs **must be pre-approved in writing** and require a pet fee/deposit. Provide **vet records** showing current vaccinations and **flea/tick** prevention **before arrival**. Bringing a non-approved dog or failing to pay pet fees/deposits is a **material breach** and may result in **immediate eviction without refund** and/or forfeiture of deposit.

There is a **limit on the number and size of dogs permitted**. A maximum of **two (2) dogs** are allowed per reservation, with a **combined weight limit of 60 pounds** (or **no single dog over 30**

pounds, unless otherwise approved in writing). Exceptions may be made for smaller breeds or service animals with proper documentation at the Owner's sole discretion.

NO DOGS ARE ALLOWED IN THE POOL OR HOT TUB — WITHOUT EXCEPTION. For health and safety reasons, pets are never permitted in or near the pool or hot tub areas. Any violation will result in a cleaning and filtration charge billed to your credit card or deducted from your deposit.

If it is determined that a dog or other pet has entered or swum in the pool or spa, the guest will be responsible for the **extra cleaning and filtration costs** required to remove pet hair and contaminants. The **cleaning cost will be charged directly to the credit card on file** or deducted from the security deposit.

Pet Clean-Up and Leash Policy: Guests are **required to always pick up after their pets**, both on the property and in public areas. All dogs must be kept **on a leash at the beach** and in all shared or outdoor spaces, per Monroe County and City of Marathon ordinances.

13 A) Damage Coverage Options: Insurance or Credit Card on File

Guests are required to provide a valid form of **damage coverage** for their stay. There are two available options:

1. **Guest-Provided Insurance:**

Guests may purchase their own **short-term rental damage insurance policy** from a licensed provider and must list one of the following as an **Additional Insured and Certificate Holder**:

- **FloridaKeysVillas.com / Evergreen Ventures Holding of Marathon LLC**
- **619 Sombrero LLC**
- **711 8th St LLC**
- **Liz Kohout or Robert Stephens**

Proof of coverage, including the policy number and coverage limits, must be emailed to the Owner/Manager **at least 30 days prior to arrival**. The policy must remain active through the entire rental period. If proof is not received or coverage is deemed insufficient, the credit card option below will apply automatically.

Minimum Coverage Requirement and Secondary Liability:

All guest-provided insurance policies must include a **minimum coverage limit of \$5,000 USD per stay** for accidental damage to the Property, furnishings, pool, hot tub, landscaping, and contents.

If the guest's insurance policy fails to cover the full cost of damage, loss, or cleaning — or if the insurer denies the claim for any reason — the guest remains **personally responsible** for the uncovered amount. Any unpaid balance will be **charged to the guest's credit card on file** in accordance with Addendum A and B.

Proof of coverage must clearly state the insurance company's name, policy number, effective dates, and coverage limits, and list the Owner/Manager and related LLCs as Additional Insured and Certificate Holder.

2. Credit Card Damage Hold:

If the guest does not provide a valid insurance policy as described above, a **credit card must be kept on file**. The card may be charged for repair, replacement, cleaning, or loss as defined under the **Damage and Credit Card Authorization Addendum (Addendum A & B)**.

The pre-authorization or charge will only be processed in accordance with the documented damage inspection and notice procedure.

Guests must choose one of the above options **before check-in**. Failure to provide damage insurance or a valid credit card authorization will result in **cancellation of the reservation** and forfeiture of deposits paid.

Tenant Initials: _____

13) End of Term; Security Deposit

Return the Property in **as-good and clean condition** as at check-in, normal wear excepted, with furniture and items **in their original places**. Guest authorizes Owner to deduct from the **Security Deposit**: damage, excessive cleaning, utilities or extraordinary bills caused by Guest, and any unpaid amounts. Deposits are held in a non-interest-bearing account and may be refunded within **10 business days** after the lease ends, less authorized deductions.

Damage Reporting: Guest must email written notice (liz.ault.123@gmail.com) of any pre-existing damage immediately upon arrival and before taking full possession. Reports first made at or after check-out are presumed not credible and may be rejected.

Tenant Initials: _____

14) Access & Inspections

Owner may **enter without prior notice** to enforce terms or in emergencies. Otherwise, Owner may access **9:00 a.m. – 7:00 p.m.** to make repairs, supply services, or show to buyers/contractors. Failure to vacate upon termination waives process and may result in removal.

If the **City of Marathon** or other government authority requires an **annual fire inspection**, all guests or pets must **vacate the premises and remain outside** during the inspection period (approximately ten minutes). This requirement is **for guest safety, security, and compliance** and occurs **once per year** or as otherwise mandated by the city. Guests agree to cooperate fully during any such inspection.

No dogs or pets are allowed in the pool or hot tub. If it is determined that a dog or other pet has entered or swum in the pool or spa, the guest will be responsible for the **extra cleaning and filtration costs** required to remove pet hair and contaminants. Amenities listed on websites are for general guidance only and **not guaranteed**. Appliances, A/C, TVs, and other items may fail and will be repaired as soon as reasonably possible; refunds are not provided.

Guests understand and accept that delays are normal in the Florida Keys and that **no refunds or credits** will be given for such delays or outages.

Tenant Initials: _____

27) Air Conditioning, Windows & Doors

Air Conditioner Care – Please Read

To ensure your comfort and help keep the air conditioning system operating properly, please follow these guidelines during your stay:

Recommended Temperature Setting

Please keep the thermostat set between **72°F and 75°F**. Due to the Florida Keys' hot and humid climate, setting the temperature lower than 72°F can cause the air conditioning system to freeze up and stop working.

Do **not** leave windows or doors open while the air conditioner is running. Doing so allows humid outdoor air to enter, which can cause the **air conditioning system to freeze up** and stop

functioning. Likewise, lowering the thermostat **below 70°F** (in a large home) can also cause the system to freeze and require repair.

⚠ **Important Weekend Service Notice**

If the air conditioning system freezes because it has been set too low, repair services may not be available on weekends. In many cases, the system must remain off until it naturally thaws and service can be provided, which may not be until Monday.

🔊 **Fan Setting**

Please leave the thermostat fan setting on "**FAN AUTO.**"

The system has been programmed to operate correctly in the "**FAN AUTO**" setting. When set to "**FAN ON**" (**don't use this setting**), the fan runs not the air conditioning. "**FAN ON**" setting continuously can actually reduce the system's ability to remove humidity from the air, making the home feel less comfortable while increasing wear on the equipment.

All A/C units are **regularly maintained**, and any malfunction due to **improper use**—such as open doors/windows or excessive thermostat lowering—will be considered **tenant-caused damage**. If service is required because of misuse, the cost of the **HVAC repair** will be charged to the **guest's credit card** or deducted from the **security deposit**. Note that weekend or after-hours repairs may result in **no air conditioning for a day or more**, depending on technician availability.

Leaving doors or windows open also invites **insects and other creatures** into the home. If pest control service or extermination is required due to negligence, the **exterminator fee** will likewise be charged to the guest.

Please be mindful to keep doors and windows closed and to use the air conditioning system responsibly for comfort and to avoid costly damage.

28) Property Maintenance, Landscaping, Exterminator & Service Providers

To keep the property clean, safe, and beautiful, several service providers perform scheduled work throughout the week. Guests should expect and allow access for the following:

- **Pool Cleaner:** Performs regular pool and spa maintenance to ensure water safety and cleanliness.
- **Landscaper:** Maintains the lawn, gardens, and exterior grounds.
- **Garbage Crew:** Handles trash and recycling removal on scheduled pickup days.

Please be aware of the **coming and going of these service professionals** during your stay. They are part of regular property maintenance and help maintain the high standards of the villa.

Our garbage crew will **take out the appropriate bins to the street and return them** after pickup at the proper times. Guests are asked to **follow the garbage and recycling rules** posted on the signs inside the home or listed online at **FloridaKeysVillas.com**.

Please **do not take the garbage cans to the street yourself**. The **City of Marathon issues fines** if cans are placed out too early or not brought back in promptly. Our team ensures this is done correctly and on time. Unauthorized movement of bins can result in city fines or service disruptions, which will be billed to the guest if caused by noncompliance.

This system ensures guests do not have to handle trash from previous visitors and keeps the property clean for everyone. Note that **garbage pickup times do not always align with guest check-out**, so bins may still be awaiting pickup when you arrive.

Please do not move or block garbage cans or doors with boat trailers and allow access for the maintenance team when needed.

29) Rentability; Casualty

If the premises are rendered **uninhabitable** by fire or other casualty **on-site**, Owner will refund a **prorated** share of prepaid rent for unusable nights. Off-site conditions or inoperable appliances do not terminate this Lease.

Only the registered Guest and approved occupants listed on the reservation may occupy the Property.
